

CATIA V5 - TIPS

Question:-

- 1) How to rotate & zoom the object without clicking any command in CatiaV5?
- 2) If I have only 2 buttons in my Mouse, how to do Navigation in Catia V5?

Answer:-

In the Tools -> Option -> Devices and Virtual Reality; you can switch on the Tablet Support. Like below and press Ok to Options window.

This setting will add 3 buttons in Catia V5 screen as below, thru' which you can Rotate, Pan, Zoom In & Out.
