

2014

EDS TECHNOLOGIES

The year 2013 has been a very fulfilling year for all of us at EDST. In spite of very difficult economic conditions we grew our business significantly by bringing in value to many of our customers and help them also grow in their business. We have also increased our product portfolio to now include Enterprise applications as well. Our goal is to be a one stop solution company and ensure that our

customers can rely on us to provide total solution for their enterprise need. With this goal in mind we have increased our product, service and training offering significantly and we hope to add more to this as we understand our customers requirement on a continuous basis. Please take time to visit our new look website www.edstechnologies.com to understand our entire suite of offerings. We thank all our customer for their business in 2013 and we look forward to working closely with you in addressing your business needs in the coming years. Wish you all very Happy and prosperous 2014.

S. Senthil

President, EDS Technologies Pvt. Ltd.

An Integrated Approach to PLM and Real Time Visual Simulation

MILESTONES ACHIEVED IN 2013

- ▶ EDS Technologies receives "VAR OF THE YEAR" Award from Dassault Systemes for exceeding sales target.
- ▶ EDS Technologies receives "Achievement Award – Honorable Mention" from VT MAK, A company of VT Systems.
- ▶ EDS Technologies partnered as official Authorised Training Centre (ATC) with Autodesk, Inc. for training services in India.
- ▶ EDS Technologies and Dassault Systemes jointly conducted "3D Experience seminars" across the country.
- ▶ EDS Technologies partnered with SAP for providing enterprise solutions to its customers.
- ▶ As a part of CSR, EDST organized Industry Academia Interaction meet across multiple cities in INDIA.
- ▶ EDS Technologies has achieved a significant milestone by training more than 7000 students in CAD/CAM/CAE technology.
- ▶ EDS Technologies expands reach to its customers with new office in Kochi as part of business expansion in India.

INNOVATION | TECHNOLOGY | QUALITY | TIMELINESS

Services

EDST services is focused to provide technical support and services to the customers and thereby adding more value to their core business. EDST service offerings includes onsite PLM related services like Engineering Design Support, Technical Support, Administration, PLM Installation, Implementation, Peak Load Management and Staffing Consultants.

Help Desk Support

- Online telephonic support
- Issue resolution
- Onsite engineers
- Escalation to L2
- Call tracking and monitoring
- Maintain Knowledge database
- Report generation
- User feedback

L1 & L2 Support

- Onsite technical support
- CAD & PLM Administration support
- Issue resolution
- Escalation to L3
- CRISIT issue resolution
- OEM coordination

PLM Implementation Support

- Installation & configuration
- Customized (OEM) installation & configuration
- Customization support
- Database maintenance
- License management
- Integration services

Start-Up Services

- System Integration
- Vendor Management
- IT Management
- Design house management
- Staffing solutions

Training Division

In continuation to our efforts to provide a complete eco-system to PLM market space, we provide comprehensive training programs on DS, Autodesk and Altair range of solutions which includes CATIA, ABAQUS, ENOVIA, DELMIA, AutoCAD, Inventor, Revit and HyperWorks. EDST is the Certified Education Partner to Dassault Systemes, Authorized Training Centre for Autodesk and Authorized Competency Centre for Altair HyperWorks. All the trainings are provided by our certified instructors and delivered through the proven methodologies used worldwide.

We Offer:

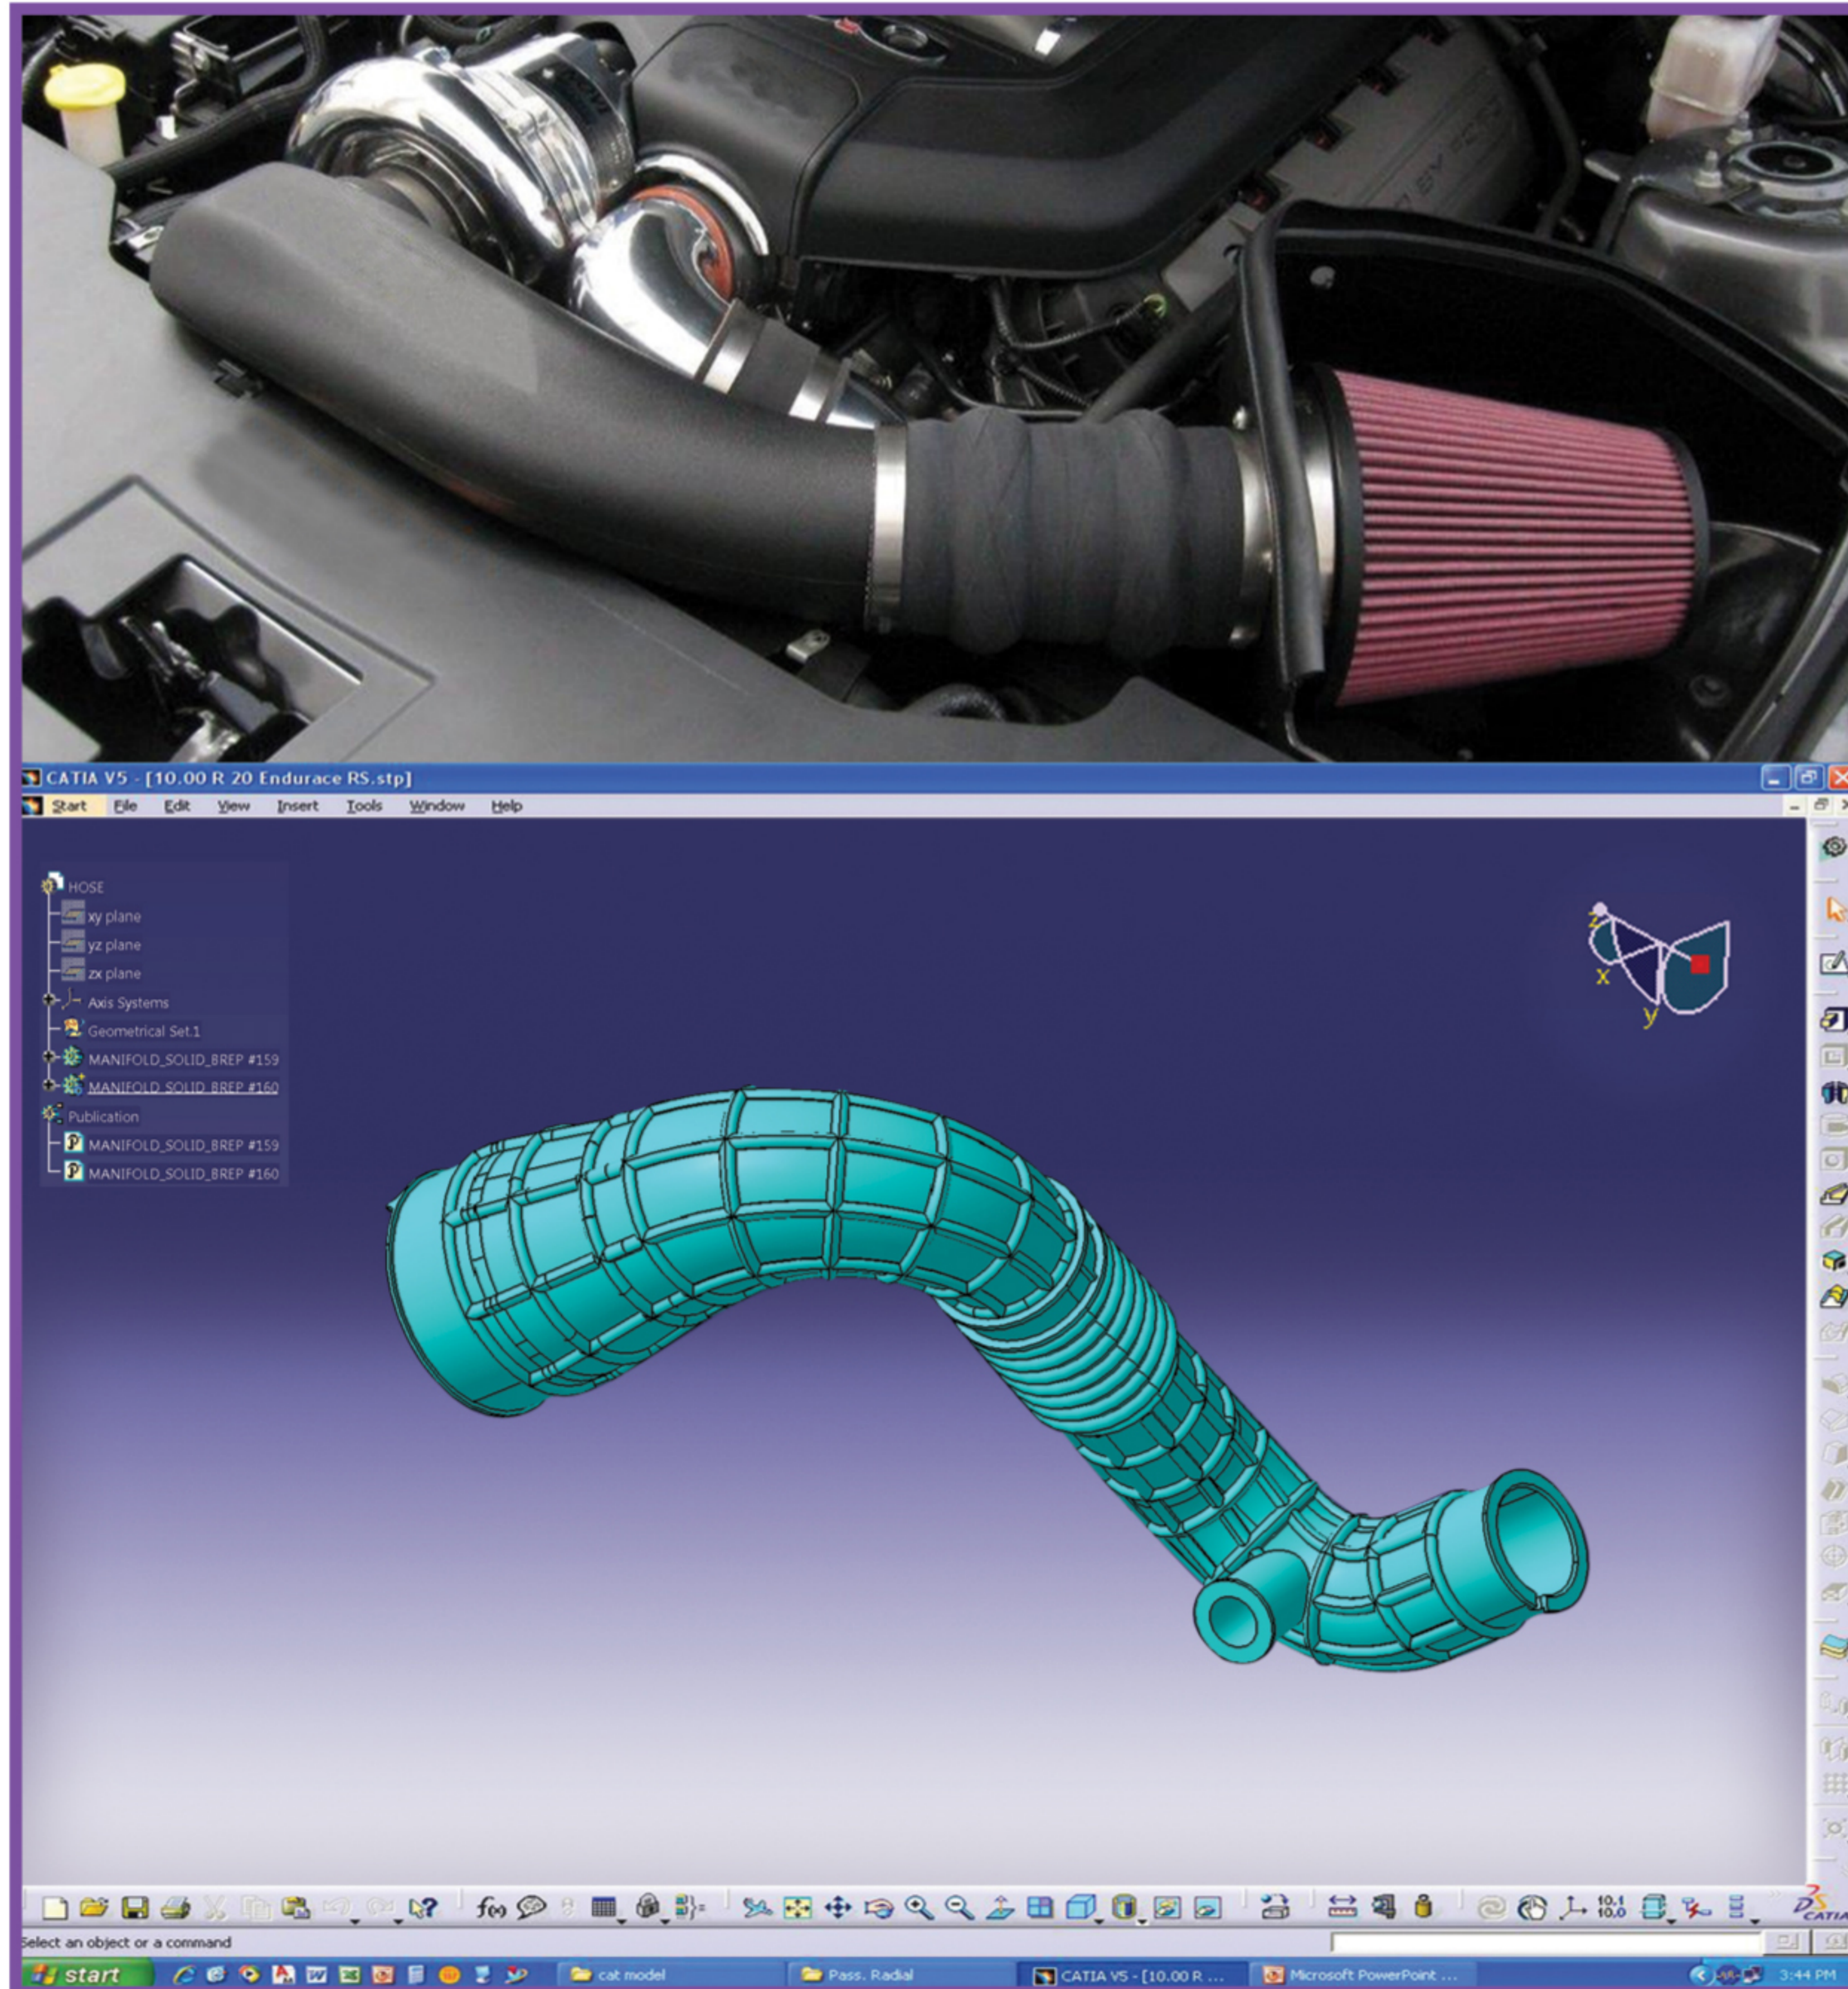

- Skill Assessment and Customized Training
- Talent building through tie-up with leading technical institutions
- Pre-hiring services
- Performance Accelerator Program for corporate
- Placement and Internship assistance

Customized Training offerings from EDS Technologies includes:

- | | |
|--|--|
| CATIA Composite Design | CATIA Engine Design Methodology |
| CATIA 3D Tolerancing & Annotation | CATIA Automotive Body-In-White Fastening |
| CATIA Knowledge Based Engineering | CATIA V5 to V6 Transition |
| CATIA Tubing & Piping Design | ENOVIA V5 VPM- User & Administration |
| CATIA Digital Mock-up & Fitting Simulation | ENOVIA Program Central, Engineering Central, Library Central |
| CATIA Electrical Wire Harness | HyperMesh and Radioss |
| CATIA Foundation for Aerospace Designers | AutoCAD |
| CATIA Aerospace Sheetmetal Design | Inventor |
| CATIA Automotive Fundamentals for Body, Chassis & Powertrain Designers | Revit Mep |
| | Revit Architecture |
| | 3DS Max Design |

Strategic Partners

“CATIA-V5 enables user to work with ease to design complex shapes faster.”
