

EDS Technologies Invites you to India Vis-Sim 2009

EDS Technologies, the leading PLM and 3D Visual-Simulation solutions provider in India is glad to host the 5th Annual "India Vis-Sim 2009" in partnership with PRESAGIS, a world leader in commercial-off-the-shelf modeling, simulation and embedded display graphics software solutions.

Event Date 11th November, 2009.

Venue Hotel Royal Orchid (Old Airport Road), Bangalore.

Come explore how modeling, simulation and embedded display graphics software solutions are being used to develop simulation applications faster and efficiently.

EDS Technologies in partnership with Presagis is committed to offer a wide choice of visual simulation solutions that are optimized to execute in real time 3D environment using COTS hardware and open standards.

REGISTER TODAY AND PRE-LIVE THE FUTURE

PRE-LIVE THE FUTURE OF MODELING AND SIMULATION

AGENDA

Start Time	End Time	Particulars
9.30 AM	10.00 AM	Registration
10.00 AM	10:15 AM	Introduction
10:15 AM	10:45 AM	Way Ahead in Simulation through PRESAGIS / AERIA (Total technology offerings from PRESAGIS)
10:45 AM	11.45 AM	VAPS XT with Windriver - The next generation solution for HMI Modeling and Certification
11.45 AM	12.30 PM	The new era of war gaming through STAGE
12.30 PM	12.50 PM	User Presentation - CAE India Pvt. Ltd. - STAGE in Naval Tactical Simulators
12.50 PM	1.00 PM	Q & A
1.00 PM	2.00 PM	Lunch
2.00 PM	3.00 PM	Content Creation and Visualization - New direction to look ahead through CDB
3.00 PM	3.30 PM	Customer Success Stories (Auto, Aero, etc.)
3.30 PM	3.45 PM	Tea Break
3.45 PM	4.05 PM	User Presentation - Boeing International Corp. India Pvt. Ltd. - Boeing Analysis and Experimentation in India
4.05 PM	4.30 PM	User Presentation - Aeronautical Development Establishment - Visual Simulation using Presagis Products for development of flight simulators
4.30 PM	4.50 PM	HP Workstations enabling desk side visualization
4.50 PM	5.10 PM	Collaborative display solutions for Virtual Reality and Simulation - BARCO
5.10 PM	5.30 PM	Closing Notes / Q & A

Speakers profile from Presagis

Patrice Commune - *President*

Patrice Commune was appointed President of Presagis in 2007. As president of a leading provider of COTS software solutions for the Modeling and Simulation market, Patrice is responsible for directing a team of world-renowned technology innovators and service providers.

Before heading up Presagis, Patrice was the President of Engenuity Technologies, Inc., one of four COTS software companies acquired by Canadian aerospace giant CAE and subsequently brought together to form Presagis. During his tenure as President of Engenuity, he oversaw several successful acquisitions, including AcuSoft, Inc., and BioGraphic Technologies, Inc.

Jean Pierre Lee - *Vice President of International Sales*

Jean Pierre Lee is Vice President of International Sales with 20 years of sales experience in the Aerospace & Defense, Automotive and Consumer Electronics markets. Jean Pierre is responsible for all direct and indirect sales into International markets for Presagis. His responsibilities include directing the Presagis European sales team and overseeing the organization's establishment of its international distributor network in APAC and EMEA.

Dan Oller - *International Technical Manager*

Dan Oller holds the position of International Technical Manager at Presagis and is responsible for providing technical support and training for the company's products to domestic and international customers.

Previously, Dan was a Project Engineer in the Professional Services department where he was involved with air, ground, and maritime simulation projects. Dan began his career in the Modeling and Simulation industry with MultiGen-Paradigm as a member of their Technical Support and Quality Assurance teams. He holds a Bachelor's degree in Virtual Reality from the University of Advancing Computer Technology in Phoenix, Arizona, USA.
